

APPLICATION FOR TEMPORARY FOOD ESTABLISHMENT*(Application requirements are outlined in Chapter 8, TB MED 530/NAVMED P-5010-1/AFMAN 48-147_IP)*OMB No. 0702-0132
OMB approval expires:
February 28, 2022

The public reporting burden for this collection of information, 0702-0132, is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

INSTRUCTIONS:

The application is completed by the operator of the temporary food establishment (TFE). Separate applications must be submitted for each independently operated establishment regardless if managed by a single operator. Submit completed applications to the regulatory authority at least 7 days before an event. In addition, each operator must provide:

- A drawing depicting the operational layout of the temporary food establishment. The drawing should provide orientation to the following activities/areas: food storage, food preparation/cooking, food service, warewashing (if applicable), and employee handwashing;
- A drawing of the entire event area depicting the TFE site in relation to the potable water supply, electrical sources, the wastewater disposal area, lavatories, etc.
