

APPLICATION FOR TEMPORARY FOOD ESTABLISHMENT
(Application requirements are outlined in Chapter 8, TB MED 530/NAVMED P-5010-1/AFMAN 48-147_IP)

OMB No. 0702-0132
OMB approval expires:
March 31, 2025

The public reporting burden for this collection of information, 0702-0132, is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

INSTRUCTIONS:

The application is completed by the operator of the temporary food establishment (TFE). Separate applications must be submitted for each independently operated establishment regardless if managed by a single operator. Submit completed applications to the regulatory authority at least 7 days before an event. In addition, each operator must provide:

- A drawing depicting the operational layout of the temporary food establishment. The drawing should provide orientation to the following activities/areas: food storage, food preparation/cooking, food service, warewashing (if applicable), and employee handwashing;
- A drawing of the entire event area depicting the TFE site in relation to the potable water supply, electrical sources, the wastewater disposal area, lavatories, etc.

1. DATE SUBMITTED (YYYYMMDD) 20260916		2. NAME OF TEMPORARY FOOD ESTABLISHMENT Camp Humphreys / Site: Walkin Gate	
3. NAME OF OPERATOR OR OWNER Prince Hall Military Lodge # 141		4. MAILING ADDRESS PSC 400 BOX 1952 APO AP 96271	
5. TELEPHONE NUMBER +82-10-7363-8152			
6. NAME OF EVENT Fall Fest 2026		7. DATE(S) AND TIME(S) OF EVENT/FOOD OPERATION From: 19 SEP 2026 / 1200 To: 19 SEP 2026 / 1900	
8. DATE AND TIME TFE WILL BE SET UP AND READY FOR INSPECTION: 19SEP2026 1400			
9. LIST ALL FOOD AND BEVERAGE ITEMS TO BE PREPARED AND SERVED. Attach a separate sheet if necessary. <i>NOTE: Any changes to the menu must be submitted to and approved by the Regulatory Authority at least 24 HOURS prior to the event.</i>			
(1) Hot Dogs	(2) Chilli	(3) Rotel Tomatoes / Tomatoe Paste	
(4) Onions (diced)	(5) Peppers	(6) Nacho Cheese Sauce	
(7) Cheese (shredded)	(8) Bread (loaf and buns)	(9) Chips (variety)	
(10) Soda (various canned flavors)	(11) Juice (Pineapple, punch, lemonade)/Water	(12) Condiments (ketchup, mustard, mayo, relis	
(13) Marshmallow Fluff	(14) Bacon	(15) Canned Kidney Beans	
(16) Potatoe	(17) Butter	(18) Beef Broth	

10. Will all foods be prepared at the TFE site?

☒ Yes – complete **Attachment A** ☐ No* – complete **Attachments A and B**

* If No, the operator must identify the permanent food establishment where the food will be prepared; food establishments operating off the installation require additional assessment by the Regulatory Authority for approval.

11. Describe (be specific) how frozen, cold, and hot foods will be transported to the TFE (e.g., conveyance method & temperature controls):
Frozen & Cold foods will be transported from unit fridges and freezer via ice chests which will be stored at food stand. Ice will be replaced every 4-6 hours as needed to maintain temperature control. frozen items will be transported from unit freezer periodically throughout as needed to prevent unsafe temperature changes prior to cooking.

Hot items will be stored in approved griddle and crockpots with the proper covers. This will allow the temperature to be properly controlled.

Grill will be used to cook potatoes at the event.

APPLICATION FOR TEMPORARY FOOD ESTABLISHMENT

12. How will food temperatures be monitored during the event?

Meat thermometers are avail for use during cooking to ensure proper cooked temperatures are met. ice chests will be kept in shade and maintain consistent appropriate temperature to disallow unsafe thawing of frozen foods.

13. Identify the sources for each meat, poultry, seafood, and shellfish item, and ice:

a. Item / Source Hotdogs/ Commissary	b. Item / Source Ice / Shoppette
c. Item / Source Ground Beef / Commissary	d. Item / Source
e. Item / Source	f. Item / Source

14. How many (total) food employees will be working at the TFE? 4

Using **Attachment C**, provide the names and phone numbers of all TFE workers (paid workers and volunteers).

15. How many handwashing facilities will be available for food employees? 2-4

Describe the location(s) and handwashing facility set up (type of device) to be used by the TFE employees:
For hand washing stations we will have hand sanitizer, sanitary wipes, and paper towels. Male and Female latrine will be designated at the following sites: Tap Room and MWR designated porta potties.

16. Identify the potable water supply source and describe how water will be stored and distributed at the TFE. If a non-public water supply (well water) is to be used, provide the results of the most recent water tests.

All water will be store bought water (directly purchased from the commissary). All water will be kept in water coolers at the TFE along with approved ice. unused water bottles will be kept sealed and adjacent to water cooler to maintain health standards.

17. Describe where utensil washing will take place. If no facilities are available onsite, describe the location of back-up utensil storage.

All cooking utensils will be cleaned at our unit facility (3-2 GSAB Super Hangar). Sinks have proper water and dish soap. once clean they will be stored in a small unused cooler until their use. all utensils will have backups and once used, the rest will be taken for cleaning. utensils to be used by patrons for food will all be plastic purchased at the Humphreys Commissary. This facility has an Kitchen area.

18. Describe how and where wastewater from hand washing and utensil washing will be collected, stored, and disposed:

Utensil washing will be the 3-2 GSAB Kitchen Area. Handwashing will be from the Maude Hall, PX, Commissary or the Portable station that will be set up by MWR.

19. Describe the number, location, and types of garbage disposal containers at the TFE and the event site:

TFE will have two large trashcan colocated with large blask trashbags. They will be replaced as needed and disposed of in the approved dumpster located at the MWR designated site.

APPLICATION FOR TEMPORARY FOOD ESTABLISHMENT

20. Describe the floors, walls, ceiling surfaces, and lighting within the TFE:

There will be no walls. The ceiling would be from a tent and the lighting will come from the sun as this event will predominantly take place during day light. Lights will be put in place by MWR to facilitate Night time activities.

21. Additional information about the TFE that should be considered.

Griddle and crockpot will rest on the table with an approved fire extinguisher present along with buckets/bottles for water. TFE will be maintained for the entirety of event. the 6-8 personnel will be on a rotational basis with at least 2 members occupying TFE at all times. We will also have all personnel who are handling food be food handler certified.

Number of attached continuation pages: 0

22. APPLICANT STATEMENT: I hereby certify that the above information is correct and I fully understand that any deviation from the above without prior permission from the Medical Authority or designated representative and the event sponsor may nullify final approval.

23. REGULATORY AUTHORITY: Approval of these plans and specifications by this Regulatory Authority does not indicate compliance with any other code, law or regulation that may be required (i.e., Federal, state, or local). Furthermore, it does not constitute endorsement or acceptance of the completed establishment (structure or equipment). A pre-opening inspection of the food establishment with equipment in place and operational will be necessary to determine if it complies with the Tri-Service Food Code and local and state laws governing food service establishments.

☒ Approved

Date (YYYYMMDD): 20260917

☐ Disapproved

Date (YYYYMMDD):

Establishment Restrictions:

-Ensure fully cooked items retain temperatures above 135°F during hot holding. Recommend "Chafing dish" or "Crockpot" to keep food warm after cooking unless made-to-order.
-Ensure all personnel near exposed food maintain proper "food attire". At a minimum, personnel near exposed food must wear a hair restraint/"hat" to prevent physical contamination of food.
-Please be prepared with sanitizing wipes for food spillage or splashes
Wear single-use disposable gloves (non-latex) when handling fully cooked/ready-to-eat food.

--All food handlers must take course via
